

## Copyright/Authorship form

Dear Editor,

We would like to present our original research entitled “  
.....”  
.....”  
to your consideration for publication in **IJMLR (International Journal of Medical Laboratory Research)**.

By signing this form, we endorse the following and that we participated sufficiently in the scientific content, study concept, statistical analysis, and results, as well as the manuscript preparation and development, to take responsibility for it and have decided to have our name listed as contributors for this article.

1. We confirm that all the Authors meet the criteria for authorship as established by the ICMJE.
2. We confirm that neither this manuscript has been published nor is being in consideration for publication elsewhere.
3. We certify that all the data collected during the study is presented in this manuscript and no data from the study has been or will be published separately.
4. We confirm that all sorts of support including financial support and its sources received for this article have been disclosed properly without any due.
5. We confirm that there is no commercial association that might pose a conflict of interest in connection with this original research
6. We are aware that the journal allows us to retain the copyright over our work, including the right to reuse, distribute, and republish it.
7. By licensing our work, we grant the journal the right of first publication.

We agree to provide the rights to the corresponding author to make necessary changes as per the request of the journal, do the rest of the correspondence on our behalf and he/she will act as the guarantor for the manuscript on our behalf.

All persons who have made substantial contributions to the work reported in the manuscript, but who are not contributors, are named in the Acknowledgment and have given me/us their written permission to be named. If we do not include an Acknowledgment that means we have not received substantial contributions from non-contributors and no contributor has been omitted.

Thank you for your kind attention.  
Sincerely

Nmae and Signature of all Authors and corresponding Author
